

The Birth Clinic is pleased to send you the June eNews letter featuring maternity news, discounts and offers which might interest you or **your family & friends**:

**Tailored Packages** – Choice in hospitals. Choice in consultants. Choice in care. The Birth Clinic believes that choice should be at the centre of your maternity care. We offer set maternity packages designed to meet most needs and budgets. However, if these packages do not meet your requirements, it would be our pleasure to tailor a package which does. To speak to one of our Patient Care Coordinators please send us an email to [info@thebirthclinic.co.uk](mailto:info@thebirthclinic.co.uk) with a contact number and a convenient time to call.

### **Maternity in the News –**

The Birth Clinic was recently featured in *Health Insurance Magazine*, the main trade journal for the health insurance industry. The article outlines the current thinking in private maternity. To view the article click [here](#).

The Birth Clinic recently put in place a first-of-its-kind direct services and pricing Agreement with an NHS hospital's private wing. Birth Clinic patients receive special discounts at these selected wings. For more information please email us at [info@thebirthclinic.co.uk](mailto:info@thebirthclinic.co.uk).

**TBC Partnerships** – The Birth Clinic was recently chosen as a health partner to Oxford University's 180,000 alumni, only the second healthcare company after BUPA to be selected by Oxford. We have also been selected as the exclusive pregnancy provider to PruHealth and Standard Life Healthcare Members. Both partners receive special rates and offers on behalf of their members. If your organization, corporate or health insurer does not provide maternity care let us know, we might be able to help!

**Refer a Friend** – Drop us an email at [info@thebirthclinic.co.uk](mailto:info@thebirthclinic.co.uk) if someone you know would be interested in learning more about our services. If they become a client\* we will send you a £50 voucher for either John Lewis or Mothercare.
